

# Storytelling Sticks

This activity has been adapted to do during an online meeting and should last 30mins and is for the Express Myself theme award.

Prep:  
Leaders need to find a short story to read to the Rainbows.  
Rainbows need a stick, 6 pieces of paper/card roughly 5cmx5cm, colouring pencils/pens, sticky tack/tape.

Read the story to the Rainbows asking them to listen carefully.

Can they tell you the main points of the story?

Ask them to draw a picture on each piece of paper to show what happened in different parts of the story e.g. a person, place, events that happened.

They then stick their pictures in the right order they happened in the story to their stick.

Get each girl to take it in turns to show everyone else their story stick.  
Can the others see which parts of the story they have draw?
